The ADE Help for Early Learning Professionals document is a great resource.

- Provider has a role in supporting services
- Determination of placement second
- Determination of goals and services first
- IFSP or IEP meeting

- Repeat screenings on schedule
  - Does not qualify

- Repeat screenings on schedule
  - Continue general developmental support in all areas

Corrective Evaluation
- AZELP/School District may conduct screening before (be sure to rescreen when time is done)
- May opt to try strategies for a specific amount of time
- May refer to local school district (2 yrs, 9 mos to 5 yrs, referral may be issued)
- May refer to local school district (3 yrs, 9 mos to 5 yrs)
- May refer to local school district (2 yrs, 9 mos to 5 yrs)
- May refer to local school district (3 yrs, 9 mos to 5 yrs)

- No concerns

Results of screening are shared with parents
- Children 3 to 5 are screened yearly
- Children 0 to 2 are screened twice a year
- All children are screened within 45 days of enrolling
- Parents give permission for screening

Best Practices for Screening
