EDUCATION MATTERS because...
Education matters because... It inspires, it creates,
Education matters because... it is the basis for problem solving.
Education matters because...

Because being able to learn and adapt is important in the world we live in.
Ever thought of becoming a TEACHER?
@ ASU
Education matters
because...
Taylor Mali said so!
EDUCATION MATTERS because

Knowledge is Power

It helps solve problems!

To Avoid the Fiscal Cliff!
Education matters because...

it improves others for the future.
