Skill: Sum-equals-ten facts

Materials:
- 10 pennies
- 1 plate

Players: 2

Object of the Game
To get more points.

How to Play
1. Player 1:
   • Hides some pennies under the plate.
   • Puts the rest on top of the plate.
2. Player 2:
   • Counts the pennies on top.
   • Figures out how many are hidden.

3. If the number is correct, Player 2 tallies a point.
4. Players trade roles.
5. The player with more points after 4 rounds wins.

Advanced Version
◆ Use more pennies. The player who hides the pennies says the total.

Player 1

Round 1
